'UNCALLED FOUR' — but definitely not uncalled for! Pardon the pun, but you'll agree when you hear this famed Barbershop quartet sing at Acalanes High School next Friday night, February 29. The quartet will be just one of the many attractions at the Barbershop Singing in America. The distaff side will be represented by a "Sweet Adeline" vocal contingent. "Uncalled Four" singers are (left to right) Fred Christensen, lead; Clyde Bumgarner, tenor; Harvey Dixon, baritone, and John McElravy, bass. The evening's program will start at 8:15.

Commuters Hear Reports on Bus Runs, Membership

Regular monthly meeting of the Contra Costa Commuters Association, originally announced for February 12, was postponed until last Tuesday, when the group met at Acalanes High School.

President Arthur Bowman of Orinda expressed himself as very gratified with results of the recent membership drive, in connection with which a commute book for the month of March was awarded at the meeting to Anne Winters, who commutes from Orinda.

DUDLEY THICKENS of Walnut Creek gave a comprehensive report on the background of recent publicity relating to the proposed refinancing of the present Bay Bridge.

Secretary Norma Warner of Walnut Creek read a letter to the Association from J. W. Krug, regional manager of the Greyhound lines, in response to a letter from the association about safe driving practices.

Krug stressed that he was especially interested in safety, as now outlined in standard instructions issued to all Greyhound drivers, and he enlisted the cooperation of the commuters in seeing that they are observed.

John McKirahan of Lafayette reported on his recent efforts to secure more seats for the ever-increasing commuter group. He told of Greyhound's concession in providing a pick-up service at Essex and Folsom Streets in San Francisco by the present non-stop bus known as the Camp Stoneman express.

THIS BUS WILL stop hereafter at Essex and Folsom each evening around 5:15 p.m. to pick up passengers for the Concord area, whenever seats are available.

McKirahan has asked of Greyhound that similar consideration be given in the matter of three early morning express buses now operating from Concord to the Bay Area.

He hopes to have favorable progress to report on this last proposal at the next regular meeting early in March.

By unanimous vote the directors approved a motion for an active membership in the Diablo Highway Improvement Federation, which is representative of organizations throughout the area that are working toward improvements in highway and traffic conditions.

Highway Group Launches Drive For Membership

As a necessary "first step" in its intensified program of struggle for road and highway improvements, the membership drive of the Diablo Highway Improvement Federation is swinging into action.

Letters to old member organizations and to other groups are being prepared by Secretary Dudley Thickens and are expected to be mailed by this weekend, according to Chairman Elliot J. Hartman.

"If any community groups are missed by us, it's only because we haven't learned their addresses," Hartman said. "We urge such groups to get in touch with us, through Secretary Thickens at 40 Park Avenue, Walnut Creek."

Hartman emphasized that as wide representation as possible is sought in the federation from organizations throughout Contra Costa County.

"The more groups participating in our efforts, the greater will be our effectiveness and our understanding of the problems," he stated.

1952 membership dues of \$5 per organization are now payable to the chairman added.

The federation board will meet next Thursday night at 8 o'clock at Thickens' home. A previously tentatively scheduled board session for last Tuesday night was not held, Hartman reported.

Call for Bids For New School

The Orinda School Board is calling for bids for construction of the new Sleepy Hollow school, to be erected at the west end of Washington Lane.

Sealed bids will be received until March 17, 8 p.m., when the bids will be opened at Orinda School. Plans and specifications are at the office of Architect Jack Buchter at 61 Moraga Highway.

Capt. Clyde Coggins Instructor in Japan

Captain Clyde A. Coggins, son of Mr. and Mrs. C. A. Coggins of 74 Orchard Road, has been assigned as an instructor at the XVI Corps Leaders' school, a leadership school for non-commissioned officers, at Camp Matsumura, Japan.

Captain Coggins arrived in Japan in July 1951.

There's a Tara Road A-Winding; Who'll Fix It?

Lengthy discussion about Tara Road and suggested steps for getting it in shape for county acceptance occurred at Monday night's meeting of the Orinda Association's Civic Affairs Committee at Orinda School.

Upshot of the discussion, participated in by Civic Affairs members and a delegation of Tara Road residents, was:

1.—The Tara Road group was invited by Civic Affairs Chairman Clint Hallsted, as a member of the Moraga Meadows Association board, to attend the next meeting of the Moraga Meadows Association and present the problem.

2.—Agreement by Civic Affairs delegates that at present the matter was one which could better be handled through the Moraga Meadows Association than through the channels of the Orinda Association.

THE TARA ROAD delegation consisted of Paul Harrison, Ray Currie, Bill Ott and Frank Pierce. Chairman Jim De Korne was not able to be present.

From Tara Road To Dodger Camp

That recent Tara Road residents' meeting was held at the home of Harry "Cookie" Lavagetto, coach for the Brooklyn Dodgers.

On Monday night when his neighbors were relating the road problem to the Civic Affairs Committee, "Cookie" left for the Dodger spring training camp in Florida.

One of the Tara Road group at the Civic Affairs session remarked that "Cookie," before departing, had quipped:

"Well, I hope the road will be fixed and the county will get taken over by the time I get back after the baseball season."

ing was Abe Doty, subdivider of the Tara Brook subdivision.

The group reported that a meeting had recently been held at a resident's home with Doty and Supervisor Jack Cummings in attendance. Following this meeting, a communication from the county had been received in which R. U. St. John of the county surveyor's office estimated it would cost \$250 to fill the road on Tara Road, and in which Cummings stated that:

1.—Complete resurfacing of Tara Road, bringing it up to county specifications, would cost \$150 per lineal foot.

2.—Patching the road's bad places would cost \$2000.

3.—If all the cost of the culvert-filling would be taken care of and if half of the cost of either complete resurfacing or a patching job were paid by the Tara Brook people, Cummings would try to find money from his road fund for the remaining cost. After the work is completed, the road would be ready for the county road system.

Discussion Monday night revolved around interesting other users of the road into helping defray expenses or perhaps petitioning the county to do the whole job on its own. Doty said he was willing to take care of filling the culvert.

Signup for Flowers

In the narthex or vestibule of Orinda Community Church hung an artistic flower calendar chart on which one may sign up to contribute flowers for the use in altar decoration on any Sunday of the year.

The contribution of flowers does not necessarily mean the arranging of them, says the flower chairman, Mrs. Ernest Drews.

Then, I knew what was happening at the Neill household. The earthquake recorder did not become normal until 1:30. So for three and one half hours the committee chewed on a mighty tough problem: Whom to endorse? (If I were writing about uneducated Democrats, I'd say "WHO to endorse.")

Nursery School For Moraga Side, Lafayette Planned

The Orinda Nursery School Association, at a special board meeting Wednesday night, discussed plans for purchase of a piece of property on the Moraga side of Orinda to take care of the Moraga children as well as those from Lafayette.

The special session was held at the home of Mrs. James Seaman, president.

That there is a definite demand for a new nursery school was made clear by some 50 mothers at a Nursery School Association meeting February 13.

It is planned that the new school will act as one unit with the Nursery School already in existence — that is, there will be one president and one board over both, with representation from all sections.

Also in the process of being set up is an advisory committee of business men to help guide the Nursery School Association in this exciting move.

Dramateurs Set 3 Performances Of 'Dear Ruth'

The Orinda Dramateurs will present "Dear Ruth" in the Orinda School auditorium on Friday evening, March 28, Saturday evening, March 29, and again Saturday evening, April 5.

Casting has been completed. The cast is doing line rehearsals, temporarily meeting at the home of Mrs. Frank Wright due to the absence of Director Ed O'Brien.

O'Brien has been in Alta Bates Hospital for some weeks recovering from a back injury but will be back as soon as doctors permit.

Hearing Held On L.I.D. 13

The Central Contra Costa Sanitary District board will hold its regular meeting March 6.

A hearing on Local Improvement District 13 in the North Orinda area was held last night.

The hearing had been continued from last week, at which time three letters of protest were submitted. Two of the complaints concerned the repaving of roads, and the other referred to a road not within the district.

Over \$1644 For March of Dimes Given by Orinda

Total amount of donations collected in Orinda for the March of Dimes Polio Fund was approximately \$1,644.28, according to Joseph L. Sheaff, Orinda drive chairman.

The collections include \$105 from the "Fathers' March" in the Moraga Del Rey area and \$260 from the Orinda Theater.

Total donations received in the mail were \$804.

The remainder is from the March of Dimes cans distributed through the area and from school collections.

It is expected the exact breakdown of the count will be completed by Monday.

Don't be a "hide your head, Alice, sit by the fire" because you don't have any talent that shows for Talent Night on Tuesday night, March 4, at Orinda School auditorium.

Jean Downs, chairman of Abandon in Suburbia III for Orinda Mothers Club, says she needs everything and everybody to make the money-raising project as successful this year as it has been in the past.

A brief list of needs includes fathers or mothers for jobs as carpenters, writers, ticket sellers, idea artists, men singers, makeup girls, pianists, song writers, seamstresses, dancers. And lots more.

After election, the delegates extended a vote of appreciation to outgoing Chairman Montgomery and outgoing Secretary Joseph Downs.

Moraga Meadows Association will hold its first business meeting of the year next Thursday night at 8 at Orinda School auditorium.

According to President Tevis Thompson, Dr. Ralph Hall of the Acalanes High School District Board will discuss current problems of the district, including plans for the Orinda high school, and the \$1,500,000 bond issue election set for March 25.

Stewart Wade of Orchard Nursery will talk on landscaping and gardening in this area.

Pool Explains Application Date

Stressing the deadline next Friday, February 29, for 1951 members living north of Tunnel Road who wish to renew their membership, Orinda Park Pool directors this week stated a place would be designated later where new-member applications can be picked up.

They cited an excerpt from their minutes of their February 6 meeting:

"Membership applications for new members for Orinda Park, Inc., living north of Tunnel Road, excluding the Happy Valley and Charles Hill areas, will be made available at a place to be designated later as of April 1, 1952. The applications will be accepted in the order they are received until the membership is filled."

School Kids Take Alert in Stride, Others Drive On

Orinda and Glorietta Elementary School students took it in their stride when the "alert" signal sounded for the Bay Area's first general air raid test Wednesday morning.

They have been rehearsing for the event, along with fire drills, for the past year and a half. Superintendent Joseph L. Sheaff pointed out.

However, Fire Chief H. E. Wyatt reported that motorists in general did not heed the "alert" signal which sounded at 10:15 a.m.

When the "all-clear" sounded 15 minutes later, the school children and their teachers were apparently about the only ones who had to change back to "as you were."

Politicus predicts it will be Don Doyle

Politicus is the Sun's political editor, who pretends to know all and certainly tells all. Snoopy old Politicus walked into the editor's cubicle yesterday and said:

"If I were a gambling man, I'd give you 2 to 1 on these predictions:

"That the Republican Assembly will select Don Doyle as its candidate for assembly."

"That King Parker will not withdraw his candidacy for the

office. And two of them will be hurt when the Assembly announces its endorsement of just one.

The Assembly hopes that the two not endorsed will withdraw from the race. That remains to be seen.

(Politicus guesses that at least two — and possibly all three — will run, regardless of the endorsement.)

MY GOSH, BUT I've wandered from "those nine fellows who just whipped past."

Individually and collectively they are dashing about talking to people, coordinating with other Republican groups and checking each of the candidate's background.

I frankly believe that they have made their selection — but are checking reaction.

MEANWHILE the GOP County Central Committee is facing a major problem of getting one candidate to run for Congress and one for state senator.

By law the central committee cannot endorse or support a candidate in the primary if more than one has filed.

(The Republican Assembly, unlike the central committee, is not a legal entity and is a private club which can endorse. But behind the

scenes the central committee can throw weight behind one, and try to discourage others.)

Sheriff Jim Long has not made a public proclamation about running for Congress but it is almost a foregone conclusion that he will.

And in this area there are more than a few GOPers still trying to find something or someone to block Long.

COLUMNIST JIM Ritch in Martinez names some "fence sitters" who are interested if Long doesn't lose in his hat.

They are Leo Armstrong of El Cerrito, Martinez Mayor Jack Fries (often named as a leading Demo candidate for assembly), Lafayette's Don Doyle, Louis Bernheim, Richmond attorney, and Dr. Edward Rutledge, Richmond dentist and civic leader.

Ritch's column adds, "There may be others, including former Sheriff John A. Miller, who, it is reported, will be active in the campaign regardless of who runs."

State Highway Commission Gives Crossroads Project Priority in Area

Probability that actual construction of an Orinda Crossroads Overpass and the Lafayette Freeway will get underway in 1953 was indicated Wednesday by the California Highway Commission when it approved plans for construction, in that order, of:

1. — Overpass work at the Crossroads.
2. — Lafayette Freeway.
3. — Walnut Creek By-Pass.

Commission action was reported yesterday by Secretary R. C. Kennedy, who said the commission met Wednesday and yesterday in Sacramento.

According to Kennedy, if the commission budgets the necessary funds at its annual budget meeting next fall, bids can be called for in April, 1953, and construction may start soon after that.

NEXT FALL'S budgeting will be for the 1953-54 fiscal year, but it will be possible to call for bids before the start of the fiscal year if the money has been earmarked, Kennedy explained.

Kennedy said that a total of \$1,615,000 is now available for purchase of rights-of-way throughout Contra Costa County. Of that amount, \$200,000 is available for rights-of-way purchases from the Tunnel to four-tenths of a mile west of Oakland Boulevard in Walnut Creek. Another \$400,000 is available for rights-of-way purchases from that point northward to the Monument.

Agreement must be reached with the county on the closing of certain roads, in connection with the freeway work.

"The commission realizes the urgency of the problem, and is eager to get the work started as soon as possible," Kennedy commented.

Long suggested the following solutions:

1.—The populace be appealed to on the basis of civic pride that commuters and others be encouraged to park in off-street parking areas.

2.—The highly controversial problem of establishing a police district be considered.

3.—The public through its legislative channels negotiate for a higher manpower allotment for enforcing agencies.

4.—The Chamber of Commerce appoint a committee to meet with the Board of Supervisors, State Highway Patrol, the sheriff and the district attorney to establish authority of enforcement of the present county parking ordinances.

President Underwood appointed Hugh Phair as chairman of the committee and Waddy Wadsworth and Stanley Allen as members of the committee. The committee was instructed to arrange the meeting through Sheriff Long.

Construction of 4.7 miles of County Route 7894 between Orinda and San Pablo was one of eight federal aid secondary highway system authorized yesterday by the State Highway Commission in Sacramento.

All the projects were submitted to the Federal Bureau of Public Roads with the understanding that the counties involved would provide matching funds.

The job between Orinda and San Pablo would include grading and surfacing from 2.2 miles northwest of Orinda to 4.6 miles southeast of San Pablo.

'Surprise Party'—Larmer Won't Run, Wohlgenuth Appears at GOP Assembly

By POLITICUS

Last week's meeting of the Republican Assembly at Acalanes to present G.O.P. candidates for Assembly should have been called "Surprise Party."

It was an evening of surprises — to officers of the Assembly as well as the audience.

SURPRISE NO. 1: Ed Larmer decided to withdraw as a potential candidate.

This must have been a last-minute decision. At 6:45 p.m. an Assembly officer started phoning to make certain that each of the three speakers remembered the meeting.

Larmer was reached at 7. He then said there were too many in the race and he had decided to pull out. (persistent rumors state that Larmer and Wohlgenuth agreed they would not campaign against each other. This has never been verified.)

SURPRISE NO. 2: O. J. Wohlgenuth of Walnut Creek walked into the auditorium five minutes before starting time to take his place among the candidates.

Wally Wohlgenuth last week told the committee that he could not attend because of a prior commitment. Consequently, Joe Creighton was not prepared with a background report on Wohlgenuth, as he was for King Parker of Walnut Creek and Don Doyle of Lafayette when introducing them.

Wohlgenuth stated he did not intend to resign from the Board of the Contra Costa Junior College District if elected to the Assembly. He says there is much work to be done on the junior college board.

SURPRISE NO. 3: A straw vote was taken of all present after the three men spoke. Results have not been announced. Assembly officials hint that the candidates will be given the results on request.

SURPRISE NO. 4: About 90 people were present at the meeting — which is good for this area.

Secret Committee To Pick Republican Assembly Candidate

By POLITICUS

Say, friend, did you see those nine fellows who just whipped past? Yea, the ones that look a little suspicious — like G-men or perhaps investigators from a Congressional committee. Oh, so you saw them earlier in the week, dashing about and talking to various people and individuals.

Well, if you promise not to tell a soul, old Politicus will give you the cold dope.

They aren't from the FBI, or Congress. They are — sss — Republicans from this area; nine members of a committee appointed by the Contra Costa Republican Assembly to select one candidate for state assembly, endorse and support him.

It is a secret committee. Officers of the Assembly explain that they believe the committee should not be identified because the endorsement should come from the Assembly and not from nine individuals.

ANYHOW, The committee swept into action following last week's

meeting at Acalanes when three "potential" candidates appeared. They are Don Doyle, King Parker and O. J. Wohlgenuth. (See adjoining story.)

Meridian Boy Scout District Weighs Possibility of Separate Fund Drive

Meridian Boy Scout District Committee's regular monthly meeting Tuesday night at Acalanes High School is expected to make definite recommendation regarding the next annual fund drive of the district.

According to Victor Lindblad, council executive of the Mt. Diablo Council of the Boy Scouts, the issue which will probably be resolved is:

Council Praises Workers in Joint Scout Campaign

The Mt. Diablo Boy Scout Council, through Council Executive Victor Lindblad, this week paid tribute to the hundreds of workers who rang up last fall's record joint Boy Scout-Girl Scout fund drive for Contra Costa County.

A council statement said: "The entire Scout Council joins in thanking Mrs. Clarabelle Barnette, Bert Werner and the hundreds of workers who worked so diligently in this year's finance campaign to make scouting possible within the district.

"Without the devoted service of this army of friends of scouting, it would be impossible to provide the funds necessary to make the program possible."

Mrs. J. Wayland Barnette was general chairman of the area's joint fund drive. H. W. Werner was assistant general chairman and publicity chairman.

Come March 21, Coin Phone Calls Will Be 10 Cents

Beginning Friday, March 21, public telephone users throughout California will deposit one dime or two nickels in the coin slots to make a local telephone call.

On the same day the 3 per cent surcharge on monthly bills of regular telephone subscribers will be eliminated.

The surcharge was designed to avoid a higher permanent increase in exchange rates and was necessary to procure the revenue needed while the 70,000 public telephones in the state were being modified to 10 cent operation. About 375 of these are located in the Walnut Creek area.

H. C. Greenhalgh, manager of Pacific Telephone, said that the equipment changes had been expedited in order that the 3 per cent surcharge could be dropped as soon as possible. As a result, the change is being made about three months ahead of the eight months allowed in the California Public Utility Commission's order of last October.

35 Students Get Top Rating for Don Citizenship

Thirty-five Acalanes Dons were named this week by Principal Stanley Walgren as high pointers in the Acalanes citizenship point system.

The Acalanes citizenship system gives students points for participating in student activities, and providing services to the school and student body. Each semester outstanding students who win 120 points or more are awarded free passes to all Acalanes campus events for the next semester.

Those rating top honors for the recent fall semester were: Bill Bedard, Sharon Brown, Barbara Carideo, Carl Dews, Sally Fleager, Carol Jean Earle, Peggy Everest, Lois Galbraith, Jerry Grey, Sven Greenings, Leslie Heche, Betsy Lyser, Marcia Millu, Catherine Monroe, Pat Meyers, Eleanor Neldam, Carl Peters, Marilyn Peterson, Phyllis Porter, Jean Raspillar, Carole Rucker, Marilyn Santos, Alan Ruff, Ann Seuberger, Art Siler, Erna Soder, Barbara Springston, Mary Thies, Tom Tilton, Lowell Wendell, Terry White, Walt Williams, Joanne Willis and Margie Winterton.

63% at Acalanes Get 'A' Grading

William Ross, head of the Acalanes counseling department, has revealed that for the fourth school grading quarter just completed Acalanes students received the following percentage of A's, B's, C's and D's and F's for citizenship.

63 percent A's, 17 percent B's, 10 percent C's, and 10 percent D's and F's.

Student Speakers Address Parents

Acalanes High School Parents Club met Monday night to hear the regular monthly program. Featured at the meeting were students in public speaking classes tutored by Burt Trullison, speech and English instructor.

Following the meeting refreshments were served. Parents Club helps parents and teachers get-together on problems concerning the youngsters under their charge. All Acalanes parents are cordially invited to join the club.

YES, YOU CAN do something about taxes, government, local problems. Keep informed, participate, register and vote.

Park Council Lists 2 Immediate Goals

The Contra Costa Park Council decided on two immediate goals at a meeting in Martinez last week:

1. Ask civic groups for help in raising money for a survey and master plan for a county-wide park system. The project would cost about \$20,000.
2. Get the County Board of Supervisors to set up a recreation commission.

The Council has received funds from the Walnut Creek Recreation Council and American Association of University Women.

Bowersox to Be Director of Firm

George Bowersox, Walnut Creek, was elected director of the board of the Coast Counties Gas and Electric Company this week. He is regional manager for the Contra Costa region of the firm.

Ernest G. Lawson, chairman of the board, retired after 40 years in the industry. J. K. Horton, executive vice-president, was named to succeed him.

Realtors to Hear Talk on Spending

"Government War Spending and Its Effect on Real Estate Sales" is the topic planned for the Realtors' Mart Breakfast at 8 a.m. Monday at the El Nido.

Orville A. Osmundsen, Highland Construction Company, will give the talk.

FROM MILTIE

Doctor bills for sprained backs come high so if you have a sticking drawer don't do battle with it more than once! While you have the drawer open, rub the slides with paraffin or with a wet candle and slide the drawer back and forth a few times. Save some future fits of temper by treating the other drawers at the same time.

Now this is one that I should write a whole essay about. But I won't. This suggestion is a very good one. Sticky drawers have nothing to do with the quality of furniture. We have a lot of trouble in this area because of dampness in the air. Even my drawers get stuck once in a while — but I don't get mad about it. I just leave them alone, and wear the same shirt, socks or underwear until the thing decides to become unstuck.

'Trees for Orinda'—Many Kinds O.K. for This Area

Whatever else may be on the agenda, "Trees" are an important discussion-topic these days for improvement clubs throughout Orinda. It's all in preparation for the first annual "More Trees for Orinda Day," Sunday, March 9, when it is planned for a community-wide tree-planting program to be launched.

Sponsored by the Orinda Association, the event is aimed at beautifying the community. A special committee is busily conducting an educational and speaking campaign. On the committee are R. F. Grah, extension

forester of the University of California; Dr. Ralph Hall, forest entomologist of the U. S. Department of Agriculture, and Joseph Downs, with nurserymen Stewart Wade and Galen Darr in an advisory capacity.

One of the pet ideas of the committee is to try to achieve uniform planting—that is, planting of the same type of tree on a community bases, or by section, or on a single street.

At least 50 or 60 kinds of trees are considered suitable for growth in this area. Here are some of them, as listed by the committee:

DECIDUOUS TREES				
Tree	Size	Shape	Growth	Remarks
London Plane Tree (Sycamore)	30 to 50 ft. high	Broad, round	Fast	Will grow in heavy, poorer soils. Hardy. Drops some leaves during growing season. Suitable in windy areas. Good shade tree.
Modesto Ash	15 to 30	Rounded	Fast	Drought resistant. Not good in windy areas. Prefers deep, loamy soils. Good shade and ornamental.
Silver Maple	40 to 60	Tall, wide-spreading	Moderate	Colors in fall. Soil requirements not high. Good shade tree.
Chinese Elm	20 to 60	Broad, round	Fast	Will grow in poorer soils. Branches sometimes brittle. Leaves glossy. Subject to elm beetle.
Sweet Gum (Liquidambar)	30 to 60	Pyramidal, straight, upright	Moderate	Colors well in fall. Will withstand wet areas. Excellent ornamental.
Tulip Tree (Liriodendron)	30 to 60	Pyramidal, upright	Moderate	Showy flowers. Leaves color in fall. Good shade and ornamental.
Norway Maple	25 to 60	Round, spreading	Moderate	Leaves color well in fall. Good shade and ornamental. Foliage deep green.
NON-DECIDUOUS TREES (broadleaved evergreens)				
Olive	15 to 30	Spreading, rounded	Medium to slow	Hardy. Gray-green foliage. Dirty because of fruits. Will grow in poor soils.
Coast Live Oak	30 to 40	Broad, round	Slow	Native to this area. Needs good deep soil. Gives dense shade.
Magnolia	30 to 40	Broad, rounded	Moderate	Hardy. Glossy foliage, white fragrant blossoms.
FLOWERING TREES				
Hawthorne	15 to 30	Ascending, spreading	Medium	Flowers showy, white or red. Leaves color in fall. Bright red fruits in clusters remain until early winter. Do well in heavy soils. Have short spines.
Flowering Crab Apple	10 to 30	Ascending, spreading	Medium	Good ornamental. Showy flowers.
Flowering Cherry	10 to 30	Ascending, spreading	Medium	Good ornamental. Not good in wet locations.

Cupid Heats Up Old Man Winter

Old Man Winter hasn't forgotten us! Though Cupid made his temperature soar to a maximum of 59 degrees on Valentine's Day during the week of February 14 through 20.

Coldest night of the week was on Sunday, a freezing 31 degrees. Rainfall for the week amounted to 2.21 inches, bringing the seasonal total (since July 1) to 36.65 inches.

Total rainfall for last year's weather year (July 1 to July 1) was 38.22 inches—so there's less than two inches to go before passing the entire rainfall of last year. Ugh!

Boy Scout Troop Growth Described To Orinda Lions

Gerry Cullen, scoutmaster of Boy Scout Troop 207, gave a report on his troop, which the Lions sponsor, at their meeting held last week at the Willows.

The scoutmaster told of the troop's activities and described how it has grown, making it necessary to divide the troop.

Two new members, James O. Armstrong and George Bauslough, were inducted into the club by Sidney Snow of Elmhurst Lions Club.

Arthur L. Oliver, business manager for San Quentin Prison and a member of the San Rafael Lions, told of the prison's efforts to make San Quentin and the four other prisons in the state self supporting. He described their rehabilitation program.

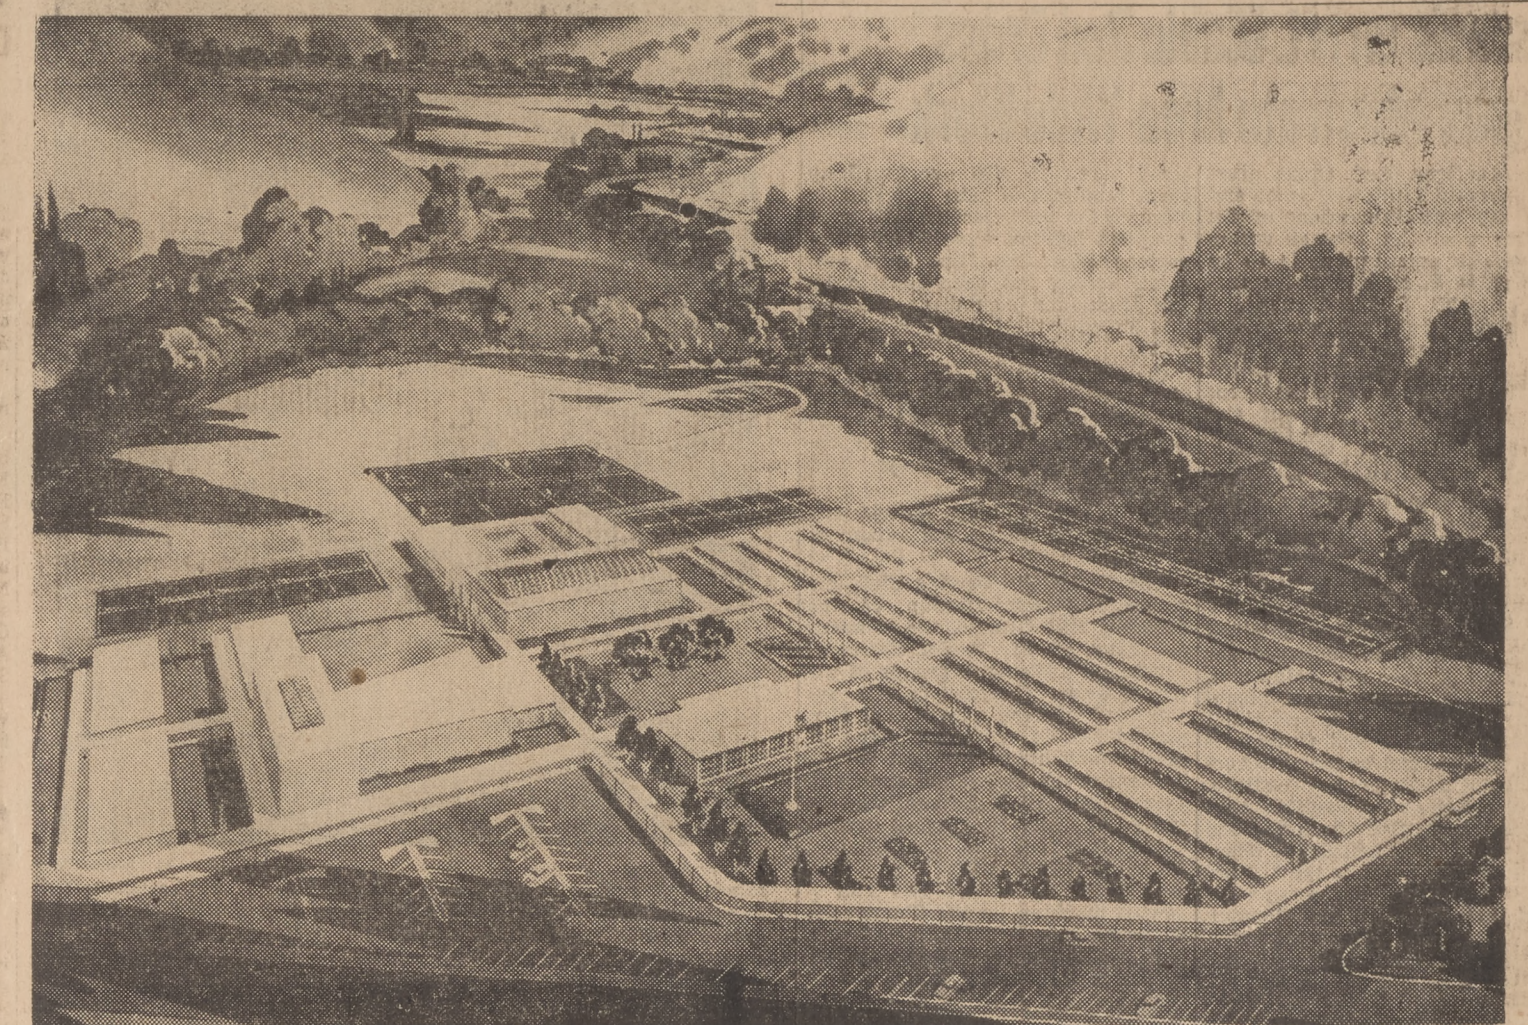

Lions are making plans to visit the prison in Marin County soon. Jack Cooper was program chairman.

Home Group Meets Wednesday

Orinda Home Department will hold its monthly meeting Wednesday, 10 a.m., at the home of Mrs. Nell Cook, 15 Acacia Drive.

Mrs. Charles Ward and Mrs. Keene Pettengill will describe their recent tour through the Koret of California plant.

There will be an informal discussion of a woman's basic wardrobe, including some shopping tips. Anyone interested in attending the meeting may call Mrs. Cook.

ORINDA HIGH SCHOOL, to be erected in the next few years in Moraga Valley a few miles south of the Crossroads, is envisaged in this architect's suggested layout plan. Only a portion of the plant will be included in the first construction project, according to the Acalanes High School District Board. A proposed \$1,500,000 bond

issue comes for approval of the high school district voters March 25. If passed, the bond issue will raise funds for the Orinda high school job and also for additions to the Las Lomas plant at Walnut Creek.

TRIP TO PARADISE

Dr. and Mrs. Murray Groves and Murray Jr. enjoyed a motor trip on a recent weekend to Chico and Paradise, visiting relatives at both places. The weather was spring-like, although snow was banked high along the highways out of Paradise.

Keep Your Eye on Barbara Stark: She's Splashing Toward Nationals

Looks like Barbara Stark, 14-year-old daughter of Dr. and Mrs. Roger Stark of 555 Manzanita Drive, may be headed for the A.A.U.'s National Indoor Swimming Championships meet, which will be held in Florida in April.

At the third of this year's Mid-winter Junior Swimming Championships contests at Berkeley Women's City Club February 3, Barbara set a new club record—one minute, 10.1 seconds—for the 100-yard backstroke for girls 16 and under.

In doing so, she broke the previous record—also held by her—of one minute, 12.4 seconds.

Barbara's feat assumed added importance from the fact that she completed against Phebe Cramer, 16, former club champ. Phebe came in second, and Sally Pedder of Lafayette and Orinda, daughter of Mr. and Mrs. Jack Pedder, was third.

Barbara scored another first in the 50-yard backstroke for girls 14 and under. In this race her time was 32.6 seconds. Sally Pedder was second.

Coach of the girls at Berkeley Women's City Club is Laurabelle Bookstaver.

Benefit Card Party By Women's Guild Tuesday Afternoon

Members and guests of the Women's Guild of Orinda Community Church will gather Tuesday, 12:30 p.m. in Fellowship Hall for the annual benefit dessert card party.

In charge is Mrs. U. B. Smith, ways and means chairman. Hostesses will include Mesdames Donald Anderson, O. S. Jones and A. D. Henry, who will also handle reservations. Spring flower decorations are under the direction of Mrs. Ed Nelson.

Feature will be "Fashions Presented by Virginia Hammond." Models will include Mesdames R. L. Baldwin, P. S. Booth, R. P. Hafner, William Hillman, William Keating, Ernest Rahmeyer, and R. E. Thies. Mrs. Kirk Miles will furnish the commentary and Mrs. C. F. DeWolf, pianist, will play the background music.

Arrangements have been made for child care in the Sunday School building for 50 cents per child.

Demands on Mt. Diablo Red Cross Chapter Illustrate Area-Wide Work

The American Red Cross gives many different kinds of service and one of the best illustrations of the volunteer work that goes on within the national organization is to be seen right at home with the operation of the Mt. Diablo Chapter.

The sheaf of "thank you" notes in the files of production chairman, Mrs. J. C. McGeehon, attest to the capability of the production corps which has met the frequent and varied requests for "comfort articles" to be sent many military installations in the Pacific Area, including the eighth western states and Alaska.

Most shipments have gone to VA hospitals in California, Fort Lewis in Washington, Fort Whipple, Arizona, and Gallup, New Mexico.

BOXES TO GALLUP contained the only articles not destined for servicemen or veterans. However, some of their children were reached. Distribution of shirts and skirts was made through Red Cross services to the Federal boarding school for Navajo children at Toadlena. Requests come to Pacific Area headquarters in San Francisco and are three prorated among the chapters. A case in point is the 120 hot water bottle covers rushed out early last fall by Mt. Diablo Chapter.

Camp Stoneman asked for 60, Madison General in Washington 40, and Fort Ord Hospital, 20 covers.

Wash cloths, kapok-filled cushions and afghans for the men in chairs; wool socks and beanies for the ambulatory; bed socks and bed jackets for the bedridden; knitted

short socks to slip over walking casts, hundreds of pairs of washable slippers for ward service, and even complete layettes have filled many cartons. More than one local veterans' family has been assisted by the production committee in cooperation with the home service secretary.

Currently 30 suits of pajamas for children in the Camp Stoneman hospital, and 24 bed jackets to be distributed through "Area" are the quota, and always slippers, Mrs. McGeehon said.

WORKERS SERVE individually or in groups. In the work room or at home.

The Castle Hill Sewing Club, the Home Economics Group of the Pleasant Hill Grange, the Womens auxiliary of St. Paul's Episcopal Church, the Womens groups of the Presbyterian Church, and a re-activated wartime group under Mrs. Harold Martin of Orinda, have all given many hours this past year.

Home workers include such women as Mrs. H. S. Zehner, who divides her time by coming several hours each week to the Chapter house to assist with work; Mrs. George Thomas, who has run a sewing machine for the Chapter for 10 years; and Mrs. Arthur Gordon and Mrs. Edith Harris, who ply the shears at the cutting table.

Other volunteer home workers are Mesdames George Hall, Viola Hiner, H. K. Nourse, Edward McConnell, P. M. Chang, Jorgensen, E. M. Daly and H. L. Martin Sr.

HIGH-JINKS A-PLenty will delight youngsters at tomorrow afternoon's performance of "The Wizard of Oz" at Acalanes High School auditorium. This seemingly acrobatic moment from the play shows Connie Reynolds as Glinda the Good, Dick Krabbe as the Scarecrow and Pat Mills as the Poodle Dog. The performance, by the Berkeley High School group of the East Bay Children's Theater, is under the sponsorship of the Orinda Mothers Club. Do You Like Tasty Desserts? ... Heed This Advice on Pruning, Feeding!

By BERT WRIGHT

I WONDER HOW many grape arborers provide a spot of shade and little else?

Too many people seem to think that grape vines are hardy individuals which can get along without any attention once they are planted.

On the contrary, grapes require special care in pruning and an annual feeding with complete plant food if you expect them to provide some fruit for autumn desserts.

February is the month to do both of these chores.

OLD VINES, no matter how old and no matter how overgrown, may be rejuvenated and brought back into good production. Since grape vines bear fruit on the canes which grow during the current season from the past year's wood, they can be quickly reformed even though the tangled mass may look impossible.

Before you start pruning, you want to know how to recognize last year's wood from which the canes bearing fruit this year will grow.

The latter is dark brown, or nearly black, with strips of loose bark hanging from it. The wood that grew last year, however, is a light chestnut color and very smooth.

FIRST SELECT four canes which grew last year, each having 10 or 15 joints or buds on it. These should originate as close to the main trunk as possible.

After selecting these, several renewal spurs should be chosen on the main trunk back of the fruiting canes. Cut these back to three or four buds to provide a starting point for growth of next year's

bearing wood. Then cut all old wood and undesirable new canes.

Tie the main trunk and each of the four canes loosely to the trellis. You will probably remove a tremendous amount of prunings but don't be alarmed, for you are not harming the vine.

AT THE TIME the vines are pruned, it is a good practice to scatter from five to eight pounds of complete plant food over an area with a radius of five feet around each vine.

Due to the severe pruning, you may get a lot of vine growth but not much fruit production the first year. However, in the years to come, if the vines are pruned regularly, they will provide not only shade but plenty of tasty fruit as well.

What's Effect of Double Sessions on Kids?

What's the effect of double sessions on the educational process of school children?

School administrators in this area generally agree that double sessions are a sort of necessary evil, stemming from overcrowded conditions at school, but that, despite its inadequacies, it isn't too detrimental for primary grades.

For youngsters beyond the primary grades, however, the effect, when double sessions are used, is more noticeably harmful.

"IN THE PRIMARY grades — first, second and third — the time element is not too far distant from regular session," said Superintendent James Dent of the Mt. Diablo Unified District. "But children on the afternoon session, I feel, from my own youngsters' experience, have a tougher situation than those in the morning. They can't be made to rest in the morning, and they can't get home until late in the afternoon."

"In the upper grades they have a definitely shorter time in school. While you don't leave out the fundamentals, there are lots of other important things you just have to omit. It's not a normal situation where athletics and school assemblies are missing; you leave out the rich parts, the fields of art and

music, to some extent."

Superintendent W. B. Ellis of the Lafayette School District, pointing out that double sessions in the district do not extend beyond third grade, observed:

"THE AMOUNT of time for the primary grades on double session is not appreciably less than what full-time would be. But it's a little harder on the afternoon youngsters. That's why we reverse our schedule at midyear."

"Although we've never had double sessions above the third grade, I can see that it would be more harmful on the upper grades."

"THE DOUBLE SESSION is a hardship on children, teachers and parents," commented Superintendent Joseph L. Sheaff of the Orinda School District, where only the first grade is on double session this year.

"In the primary grades, even though the disadvantages are not as great as they would be for the upper grades, some subjects are cut out — art, rhythm, some music. That isn't good. But as far as time is concerned, there is actually only 20 minutes' difference between a double session shift for primary grades and the minimum required by state law."

The Orinda School District does not reverse the double session schedule at midyear, on the theory that it is better to keep the youngsters on the schedule to which they have become accustomed.

COUNTY SUPERINTENDENT B. O. Wilson said:

"Such subjects as art and music have been curtailed or eliminated and the lunch period has been shortened, but no great harm done by this abridgement. Teachers do not get to know the children thoroughly during the brief periods when school is nearly all class work, with all studying at home."

"Greatest trouble is with small children, especially those who must attend in the afternoon. They are usually tired out by noon before they get to school and are not alert. In instances where both parents work all day, a child may be left to its own devices for the half day he is not in school."

"PACKAGE DEAL"
The Board of Directors of the Contra Costa County Fair announces a new admission policy for the 1952 fair. A "package deal" of \$1 charge for adults and 50 cents for children will admit persons to the rodeo, pageant, horse show and other feature events and exhibits.

How to treat your telephone

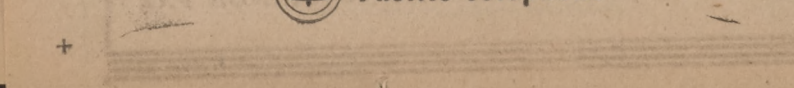

The best way to spruce up your telephone is to polish it with a soft, dry cloth... never with water or any other liquid. You'll find that it'll always be ready to serve you better, too, if you keep these simple pointers in mind: Avoid "gadget" attachments... keep cords free of doorways where they may be pinched... and always keep water away from wires and fittings.

About our happy Country Folks

By EDITH BOLMAN

IT IS OUR UNDERSTANDING that, at some point, all fancy new columnists have to retract something or other at some time or other — and, inasmuch as we are trying so hard to be a fancy columnist, we have wanted to retract something for a long time and now, at last, we have finally made it!

Last week we sent in a ghastly mistake — we accused Haleakula of doing what Mauna Loa had been doing, and actually Haleakula hadn't been doing any such thing, so, for the benefit of all future Hawaiian trippers such as the William Fosters, Woodburn K. Lambs, William Kilgus and the Don Parle Whites, Haleakula will not spit lava all over you, having been out of the lava spitting mood for some hundreds of years.

But do be deferential toward Mauna Loa, 'cause there is the girl who gets nasty. Our apologies to our readers, the newspaper, the John Gompertz, about whose trip we were writing, and to that darned volcano.

AND THE JUNIOR LEAGUE FOLLIES: We don't set ourselves up as drama critics but we just can't resist a few pertinent observations, i.e. 1. Mrs. Marshall Shapiro as the maid in the "Murder on Seaview Avenue" skit made us realize what a versatile and clever lady she can be.

2. Leland Scott Jr. as a mannequin in the "It's a Man's World" skit made us realize what a versatile and clever gent is Scott Jr.

3. Local Orinda housewives who can dance, sing, and/or act: Mrs. Thomas Rogers, Mrs. Pierce Milton, Mrs. Hugh Lowther, Mrs. Alfred Otto, Mrs. Warren Yager, Mrs. Richard Northon, Mrs. John Harrison, and husbands Otto, Milton, Yager and Harrison.

4. Local young one who ushered, Carolyn Demeter, stole the show by winning the fox stole prize.

AND NOW IT IS FASHION SHOW TIME again. On April 1 lovely spring clothes from Joseph Magnin's will be featured in the annual Fashion Luncheon by the Orinda Branch of the Childrens Hospital at the Orinda Country Club.

Special item of interest — there will be an audience guessing game and the winner will receive a merchandise order from Joseph Magnin's. Mrs. Fred Goodwin and Mrs. Ted Beckett were guests of Cyril Magnin recently at one of the San Francisco showings so they could see how the game works — each guest has a "tote" board upon which she guesses the retail price of certain selected costumes. The one coming nearest to the actual total wins.

So — study up on your Howard Greers, Adele Simpsons, Gene Shellys and other famous originals, and if you haven't gotten your tickets already you might try Mrs. Herman Eickmeyer at Orinda 8476.

Mrs. Jack Rogers, who so successfully commented the show last year, is going to stage a repeat performance, and the following models will display the beautiful clothes calculated to charm next month's allowance right way from every guest — because the Walnut Creek Store has costumes for country living as well as suits and cocktail dresses which could take you any place in San Francisco.

Models — Mesdames Chauncey Pond, Oliver Meek, Victor Bergeron, Wallace Greenlaw, Fred Boyden, Stuart Davis, Robert K. Smith, John McFarland, Tom Ray Jr., Stewart Dinwiddie, Eugene Shurtliff, Robert Caswell, and Misses Kay Goodwin, Betsey Selby and Gay Bolman.

AND NOW ANOTHER FASHION SHOW. "For the first time the Oakland Junior League will put on two large scale and formal Fashion Shows a year. The clothes shown will be entirely from the new Joseph Magnin Store in Walnut Creek. The initial Spring Fashion Review will be held at Orinda Country Club on Tuesday March 18th.

It will be a luncheon at 12:30 with reservations to be made there or at the Junior League Office at Hotel Claremont. Mrs. Bruce Anderson is general chairman and says that there will not be a ticket sale for the event. The charge is \$2.30 per person. The committee and models have yet to be selected. Do plan on making your reservations early to avoid disappointment."

THE KAPPA KAPPA GAMMA MOTHERS CLUB is planning the regular spring party to be held this year on April 17.

One beautiful sunny morning last week Mrs. Thomas St. Hill, president of the Mothers Club, called a board meeting at the Berkeley Women's City Club, and there they busied themselves with idea for the forthcoming fashion luncheon.

It all sounded so alluring that, came the noon hour, they all hurried into the dining room and busied themselves at the Salad Bar.

Mr. and Mrs. Lyle York are off to Squaw Valley for skiing for a couple of weeks.

Joseph Rupley was certainly surprised the other evening. The Ambrose Macdonalds and Milton Selbys arrived unexpectedly (bringing their own food) to help celebrate his birthday — presents, too.

And once more back to clothes — this one sounds particularly interesting. Mrs. Janet Ray, who has been escorting groups of men and women on European tours, is planning a extra divided for her next trip, scheduled for April 23. The group will visit the fashion showings of important French, English and Italian couturiers, and Janet is going to compile ideas and suggestions for travelers as to what to wear, where to wear it, and how to pack it so that it won't take up too much room for plane travel.

Question: what are the men on the trip going to be doing during this performance — of course there are always golf courses where they can while away the time, but those French mannequins are right snappy!

When Mrs. Ray is not actually in Europe she is busily writing about European travel or giving lectures before such groups as the Ebel Club, Berkeley Women's City Club, Lake View Club, Explorers Club and many others.

WHO IS THE LADY WHO RECENTLY loaned her snappy convertible to her son and so, in order to get to the Crossroads to pick up the groceries, had to borrow son's car with a large sign "U. S. Mail" in the window? It appears that she had forgotten to remove the sign, and we have had inquiries as to whether or not Mrs. Frank Dunn is now delivering the mail! Nope, she isn't — but Roger is on Saturdays, when he comes home from the Deke House at the University of California.

DID YOU KNOW THAT: The principal function of the branch organization of the Children's Hospital is the raising of funds for capital and operating expenses, without which the hospital could not exist. Twenty-nine per cent of the hospital's income is derived from branch activities.

That is all.

Two Services at Community Church

Two chapel services and two sessions of the Sunday school are being held to accommodate the congregation of Orinda Community Church.

The first, at 9:30, is a half hour in length and is followed by an adult class, with Dr. H. B. Lyon, Jr., leading the last of his current series this Sunday. At 11 o'clock the second service is held, accompanied by classes for all children through the sixth grade.

Margaret Popovich will direct the Junior choir in a 15th Century German melody, "I Would We Lived as Angels Do."

The sermon by Rev. Fred R. Morrow will be "Echo Lake." Assisting is C. Ray Fowler. Dorothy Turk is organist for the 9:30 period and Daniel Popovich at 11 o'clock.

A class for prospective church members on the subject "The Church" will be taught by the minister at 7 p.m. At the same hour the Pilgrim Fellowship will meet. All high school age young people are invited.

Elkinton Birthday

In an "open house" afternoon February 10, A. W. Elkinton of Honey Hill Road celebrated his birthday.

Among the 60 guests celebrating were relatives, members of his church, business friends and old friends.

Motion Picture Seen by 12-15

The 12-15 club met February 17 at the home of Mrs. W. E. Joslin. Dessert and table decorations followed the Valentine motif.

The budget, prepared by the budget committee, was approved.

Robert Raskob showed a motion picture on the "Christopher Movement" in which both he and his wife are greatly interested. It shows alertness in public school education as the best means of stemming communism, with the idea that more emphasis should be put on informing students and others on the greatness of American heroes like Washington and Lincoln and of the ideals of our democracy.

The club decided not to have its usual meeting on the fourth Tuesday but instead to attend on that date the Guild's luncheon, fashion show and card party.

'Library Week' Idea Discussed

Suggestion by Gottfried Hessa that a library week be observed in Orinda was discussed by the Civic Affairs Committee Monday night, after Hessa's recent letter had been mentioned by Kirk Miles.

It was agreed that Hessa and Mrs. Josephine Dawson, Orinda Branch librarian, be invited to the next Civic Affairs meeting. Meanwhile, the County Library in Martinez announced that California Library Week would be observed March 10-16.

Head Start for Housecleaning? Really Simple!

Do you want to get a head start on your spring housecleaning this year?

The Orinda Orioles will pick up your discarded clothes, toys, or household articles for their rummage sale to benefit the Mt. Diablo Therapy Center. Deadline for items has been extended to next Tuesday.

Call Mrs. William Thurlow, Orinda 8166, or Mrs. T. A. Moore, Orinda 8436.

Orinda Orioles Map Final Plans Of Rummage Sale

The Orinda Orioles, auxiliary of the Mt. Diablo Therapy Center, met at the home of Mrs. Lance Barden February 13. The Valentine theme was carried out in the serving of delicious ice cream roll and cookies for dessert.

Mrs. Calvin Hagstrom, president, presided over the business meeting.

Final plans were made for the rummage sale to be held in Oakland March 3, 4 and 5. Mrs. W. R. Ahrends reported for the chairman, Mrs. James Read, who was absent. All members were reminded to ask their friends for rummage for this worthwhile cause.

Next meeting will be held March 12 at the home of Mrs. Truman Floyd, 76 Lombardy Lane.

Nominating Group Picks Candidates In Sleepy Hollow

Joseph DeCosta, president of the Sleepy Hollow Association, appointed Dr. James Seaman, past president, to head the committee nominating new directors for 1952 at a recent meeting.

A representative from each unit was asked to serve on the nominating committee. Those to serve are Mark Noble, unit 1; James Seaman, unit 2; and Harry Locklin, unit 3. The general meeting of the association will be held March 3, 8 p.m. at Orinda Elementary School.

The committee recommends that Nels Hamber, unit 1; Dr. William Hamford, unit 2; and Joe Downs, unit 3, be the holdover directors serving their second year.

A. S. McCann, unit 1; Boone Robinson, unit 2; and Joseph Lang, unit 3, have been nominated for two-year terms. William Witter is the nominating committee's choice for president.

Ballots will be sent to members in good standing, who are asked to return them immediately, to be tallied before March 3.

Trio Trout Fish

Bound for Rogue River trout fishing this three-day weekend are James Sharp, Dwight Chapman and Dr. Stephen Jensen.

YES, YOU CAN do something about taxes, government, local problems. Keep informed, participate, register and vote.

Varied Program Enjoyed by Sections Of Women's Guild at Community Church

The Women's Guild of Orinda Community Church met February 5. Sections 1 and 2 met at 11 a.m. in Sunday School rooms, and at 12:30 were joined by Sections 3 and 4 for dessert luncheon and the afternoon program in the Social Hall.

Section 1, the Book Section, was presided over by the chairman, Mrs. Charles Pimentel. The devotions were given by Mrs. A. C. Ramsey. Mrs. Ramsey reviewed a chapter in Truman B. Douglas' "Mission to America."

The group voted a contribution towards black curtains for daylight showing of pictures in the Social Hall.

Members were reminded of the card party February 26, of the Barber Shop concert at Acalanes on the 26th and the rummage sale on May 16, 17 and 18.

Two new members were welcomed, Mrs. Minerva Beebe and Mrs. M. H. Fowler.

About 65 gathered around the lunch tables. Ice cream and homemade cookies, coffee and tea were served by a group from Section 1.

THE AFTERNOON PROGRAM was opened with devotions by Mrs. A. C. Ramsey.

The group was entertained by three of Orinda's outstanding musicians, Mrs. Joseph Spencer, pianist; Mrs. A. C. Flener, violinist; and Mrs. Stanley Hudd, cellist, who played "Serenade" by Pierre, "On Wings of Song" by Mendelssohn and "Bolero" by Mozowski.

THE GUEST SPEAKER, Mrs. Bayard Buckham, was introduced by Mrs. Lance Barden. Theme of her talk was "Highways for God." She told how in her attending church council meeting of women she had met and heard about the work of women from the Dakotas to Florida.

2109 Virginia St. Virginia CLEANERS Berkeley

Winners in the posters making contest for "The Wizard of Oz," to be given tomorrow at 2 p.m. at Acalanes High School auditorium were announced by Mrs. Stuart Henderson, chairman of the children's entertainment committee of Orinda Mothers Club yesterday.

The winners were awarded free tickets to "The Wizard of Oz" performance sponsored by the Mothers Club and produced by the East Bay Children's Theater with Berkeley High School students under the direction of Florence Schwimley.

CLEVER POSTERS by John Hall, Norman Glem, Mike Davis and Heather Ambler from Mr. Lambert's and Mr. Comer's eighth grade classes were awarded free tickets. Honorable mention went to Billy Davis, Pat Bacon, Gail Tildesley and Susan Morse, in the same classes.

In Mr. Murphy's seventh grade class, poster prizes went to Sandra Boyer and Marilyn Rauch, while honorable mention was given to the posters of Anne Shuey and Midgie Raymond.

Miss Siefer's third grade class participated as a group to make some clever cut-out posters, but no individual awards could be made for the class work, Mrs. Henderson said.

The posters are on exhibit in both the Orinda and Glorietta Schools. **TICKETS FOR "The Wizard of Oz"** are still available at both schools from 8:30 to 10 a.m. from members of the Mothers Club. Also, many mothers have tickets for sale in their neighborhoods in Orinda.

THE PLAY HAS been drawing capacity crowds of children at its showings in Alameda, Oakland and Berkeley, for its well-conceived and staged presentation of the story of the Land of Oz.

Assisting Mrs. Henderson with arrangements have been Betty Kimball, Laura Cooper, Jewel Witter and Nan Shapiro. Helping to judge the children's posters were Jeanne Cullen and Deedee Marshall.

Tickets are 75 cents per person, and a very few will be available at the door tomorrow.

Girl Scout Troop Forms 3 Patrols

By SUSAN WASSON

Scribe, Girl Scout Troop 39

On learning of the departure of Mrs. R. E. Metzger, who was the leader of Girl Scout Troop 39, the girls have divided into three patrols with a patrol leader for each group.

Mrs. W. R. Jones is the patrol leader for the "Lucky Seven" patrol, up of Norma Waddell, Jerry Moriarty, Susan Wasson, Natalie Pray, Patty Courtwright, Margo Metzger and Kathy Young.

Mrs. Alan Waddell heads the group that has chosen the name of "Giggling Bees." Included in this group are Judy Parker, Lynn Wiggins, Jane Summers, Lucy Ann Hupp, Nancy Long, Barbara Gibbs and Carol Ketsdever.

The "Admirals" have Mrs. Schiville for their leader. Girls in this group are Donna Jamison, Patty Jackson, Kathy Schiville, Langley Brooks, Mary Lou Devin and Karen Collins.

Country Club Ladies

Bridge and canasta followed luncheon at Orinda Country Club yesterday for lady members and their guests.

WORKSHOP EXHIBIT of the Orinda Children's Art Center next Tuesday will portray the products of youngsters in the classes. Three of the students are shown painting still-lives. The young artists, left to right, are Patty Wilke, Billy Cline and Jeffrey Neighbor. Watching them is their instructor, Mrs. James L. Chapple. The workshop exhibit will be in Room 12 of the Glorietta School, from 4 to 7 p.m.

Three Services Ash Wednesday At Santa Maria

Ash Wednesday services at Santa Maria Catholic Church next Wednesday will begin with the 7 a.m. Mass and the Blessing of Ashes, according to Father Thomas Schall.

At 3:30 p.m. there will be a children's service, and at 8 p.m. an evening service. At the evening service, Rev. G. H. Anderson, O.P., will deliver the first of a series of weekly Lenten messages.

During Lent, Stations of the Cross will be held each Friday at 8 p.m., starting next Friday.

Arraign Orindan In Nebraska Child Theft Case

Mrs. Rosemary Hill, 24, of 6 St. James Court, is charged with child stealing on a warrant alleging she took her seven-year-old nephew, Louis Broz, from Wilber, Nebraska. The warrant alleges the boy was residing with his father, Sidney Marion Broz, 30, and his aunt transported him to California.

The boy is now residing with his mother, Mrs. Helen Higby Broz, 27, airline stewardess, at the Hill home. Mrs. Hill will be arraigned before Justice of the Peace Thomas P. Meehan on March 25 at 10 a.m. The warrant was served Tuesday when she appeared in court voluntarily with her attorney. Her sister, the boy's mother, accompanied her. Mrs. Hill posted the \$100 cash bail.

Mrs. Hill's attorney said that Mrs. Broz filed suit in Alameda county last month for divorce and had been granted temporary custody of the boy, pending the divorce case trial. He declared the only reason Mrs. Broz had left her son in Nebraska when she came to California some months ago was because she did not have funds to bring him.

At the March 25 hearing, Judge Meehan will decide whether there is sufficient evidence to hold Mrs. Hill for extradition, sought by the State of Nebraska.

Ash Wednesday Service Jointly By Two Churches

Combining with the congregation of St. Stephen's Episcopal Church, Orinda Community Church members will observe Ash Wednesday in a service at 7:30 February 27.

Rev. William Merrill Fay of St. Stephen's will conduct the service, and the sermon will be given by Rev. Fred Morrow of the Community Church.

Following the service the regular monthly meeting of the Community Church Council will be held in the Livingstone Room of the classroom unit.

Children's Art Center to Hold Workshop Exhibit

A Workshop Exhibit of the Orinda Children's Art Center will be held on Tuesday from 4 to 7 p.m. at the Glorietta School in Room 12.

This annual midyear exhibit is to show the progress of the children attending the weekly art class.

It also affords an excellent opportunity for parents of the children in the class, sponsors of the group and teachers in Glorietta and Orinda Schools to observe equipment, materials and media available to the children as well as results produced.

The class is under the direction of Mrs. Jack Fraser. Refreshments will be served during the exhibit by Mesdames Ray Devin, Dan Carter, Paul Leebick, Jack Buchter, George Clifford, Dick Tharpe, Fred Borden, William Gilman, Paul Pollaczek and N. S. Dodge Jr.

New Orleans, Then Southland on Trip Of Four Sisters

A month of festivities is on the agenda of four sisters, Mrs. Charles Hoffman of 5 Meadow Park Court, Mrs. M. Gene Hopper of 10 Hillcrest Drive, Mrs. Ben McQuillen of 140 Overhill Road and Mrs. J. E. French Jr. of San Rafael.

They all left by car Saturday for the New Orleans Mardi Gras and a tour through the South.

In New Orleans, a cocktail party will be held in their honor and a New Orleans woman who is heading the Mardi Gras has a mysterious event planned for them. They will visit many relatives during their stay.

On their return, the young women will be the guests of Mrs. J. E. French Sr. in Palm Springs and will attend the amateur golf tournament there.

Local Women Model At St. Leo's Show

Orindans modeled "Forget-me-not Fashions" at a fashion show and luncheon at St. Leo's School gold and lace bedecked auditorium in Oakland recently.

Mrs. Robert Boyle of 11 St. James Court and Mrs. Theodore Beckett of 60 Davis Road were advanced women's fashions. Cynthia, one- and-a-half-year-old daughter, and Martin, five-year-old son of Mr. and Mrs. Le Martin Spittler of 25 Camino Don Miguel, paraded "small fry" apparel.

Mrs. Emil Puccini was general chairman and Mrs. John Bannister of 176 Camino Don Miguel, organizer of Orinda mothers of the Guild, was one of the hostesses.

St. Stephen's Women's Meeting Is for Men, Too

Next Thursday is the date set for the general meeting of the Women's Auxiliary of St. Stephen's Episcopal Church. It is to be an evening affair so that the men can participate.

Speakers will be John Aiken, an authority on gardening, who will discuss the various Orinda garden problems, with special emphasis on spring.

ALSO OF SPECIAL interest to men is that St. Stephen's Women's Auxiliary has delegated a committee to prepare the refreshments for the evening — no store food, either! The meeting will start at 8 p.m. and will be held in the Fellowship Hall of Orinda Community Church.

SERVICES ANNOUNCED by Rev. William M. Fay for Sunday include Holy Communion at 5 p.m., with the sermon to be on "The Greatest of These Is Charity." This will be Rev. Fay's first celebration of the Holy Communion, as he is to be ordained to the priesthood tomorrow at 10:30 a.m. at All Souls Church, Cedar and Spruce Streets, Berkeley.

Orindans are invited to attend the ordination service, which is to be conducted by the Rt. Rev. Karl Morgan Block, Bishop of California.

Scouts Honor Rotary Members With 'Bean Feed'

About 65 scouts, troop committee members and Rotarians took in a "bean feed" put on by Troop 200 honoring their sponsors, the Orinda Rotary Club, Wednesday night at the Scout Hut.

Bob Nordquist, neighborhood scout commissioner, was in charge of the event.

Sixty Present at Pilgrim Fellowship Officers Initaton

Judy Hall, publicity chairman for the Pilgrim Fellowship group, reports an enthusiastic meeting February 10, attended by 60 members and parents for the initiation of its new officers.

The ceremony was conducted by the guest, Rev. Don Gaylord. Officers inducted were: President, Tania Hadd; vice-president, Dave Barrows; secretary, Roberta Krotz; treasurer, Sue Small; worship chairman, Mary Johns; publicity, Judy Hall and Catherine Monroe; social chairman, Sue Fowler and Ben Randall; refreshment chairman, Beverly Branch and Nancy Wise.

Christian Science Sermon on 'Mind'

On Sunday, February 24, all Christian Science church services will include a sermon on the subject "Mind."

This sermon will be comprised of citations from the Bible and from the Christian Science textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy. It will be read by First and Second Readers in each church.

One of the Bible citations will be this from First Corinthians: "Now I beseech you, brethren, by the name of our Lord Jesus Christ, that ye all speak the same thing, and that there be no divisions among you; but that ye be perfectly joined together in the same mind and in the same judgment" (1:10).

A correlative citation from Science and Health will read: "With one Father, even God, the whole family of man would be brethren; and with one Mind and that God, or Godhead, the brotherhood of man would consist of Love and Truth, and have unity of Principle and spiritual power which constitute divine Science" (p. 469).

Students of Mills College Entertain High School Girls

Prospective Mills College students met with local girls already in the college at a "Digwood Sundae" party Saturday at the Orinda home of Mrs. Haywood Gathings.

Entertaining the local high school students were five girls from Mills College. An informal afternoon was spent discussing life on the campus, college curriculum and social affairs.

Spring flowers of white and gold, Mills College colors, formed the decor.

Refreshments were a white sheet cake centered with the Mills Centennial Decoration in gold, and ice cream with seven various sauces for the girls to make their own sundaes.

Sponsoring the party were the Orinda and Mt. Diablo Mills Alumnae Branch Clubs, and hostesses were Mrs. Gathings and Mrs. Stuart Henderson of Orinda, and Miss Marjorie Wood of Walnut Creek.

Mills College hostesses included Carolyn Courtwright of Orinda; Jane Ponting, Ann McAllister and Judith Hodges of Lafayette, and Shirley Melver of Concord.

Guests from Acalanes High School were Barbara Carideo, Patricia Mulvy, Naomi Pettengill, Mt. Diablo Union High School—Marjorie McGregor, Jeanne Shelley and Janet Smette; and from San Ramon Valley Union High—Marilyn Podva, Patricia Kelly, Sally Mumford, Peggy Tillotson and Sue Vinson.

Don-Antioch Game Ends Season Tuesday

The basketball season is rapidly drawing to a close, with the Dons playing John Swett at Crockett last night and winding up the schedule when they meet Antioch at Acalanes Tuesday afternoon.

Results of the John Swett game were not known at press time.

In the two teams' initial meeting this season the Dons set a new

county scoring mark when they won going away, 93-43. The Dons made it unanimous at that first encounter by registering an easy win.

THE ANTIOCH GAME is a postponed affair, having been delayed from February 1 due to illness on the Antioch squad. Festivities will start at 3:30.

The Dons will be out for a win for several reasons.

It was Antioch who edged them by one point in the league opener, and revenge will be a motivating force.

Secondly, the county's high scoring race has been on all season between Billy Williams, ace Antioch guard, and the Dons' top center, Bob Borghesani.

Williams set the county's single game individual scoring mark when he banged in 41 points against Crockett.

Borghesani hit for 29 against Crockett but sat half the game on the bench, whereas Williams went the route.

THIRD REASON is that the possibility remains for the Dons to tie for the league lead with Albany, who dropped their second game to

Antioch last Tuesday. Albany meets Pittsburg next Tuesday, and a loss along with a Don win would make it a tie for first place.

Pitt defeated Albany at Albany in their initial meeting, and stands a good chance to repeat on its home court.

The Antioch five will be a tough hurdle for the Dons to clear but Antioch faces the jinx of never having won a Varsity game on the Acalanes court.

ACALANES PLAYS a fast-break, high-scoring game, while Antioch tends to follow Albany's style of cautious play and ball control.

All in all, it looks to be a natural, with so many factors of competition involved.

THE DON BEES will be out to outdo themselves as they are smarting from setbacks in their last two outings, which dropped them from the league lead they held two weeks back.

The Bees have another postponed game to make up — with Pittsburg, but no definite date has been set and it may be cancelled if it ends up that it will have no bearing on first place.

Double Setback Given Acalanes By Albany Fives

The Acalanes Dons traveled to Albany High last Friday night, only to receive a double setback when the Varsity dropped a 51-47 decision and the Bees felt the sting of defeat, 37-18.

The Acalanes Varsity did well enough in the first quarter as they matched Albany bucket for bucket and hit three free throws to Albany's one, to lead 13-12.

Albany's Cougars found the hoop with consistency just before the half and, led by their ace forward, Mel Tamm, who tanked three field goals in rapid succession, came off the floor at the halfway mark out in front, 29-22.

In the third quarter the roof fell in as the Dons managed but eight points, while the home club racked up 19, giving Albany a 48-30 lead.

In the final quarter the Dons gave their all but the lead proved to be too much to overcome as Albany went into a stall and time ran out, with the Dons on the short end of a 51-47 count.

THE ACALANES FIVE did put on a slam-bang finish as they trailed by fourteen with four minutes to go.

Art Siler hit for eight points and Bob Diehl tanked two long shots for four, but Wally Patch, Mel Tamm and Joe Dorsey hit for 15 points among them, and that told the story.

Siler was high for the Dons with 21 points, and that was good enough for high point honors for the evening, as Tamm led Albany with 14.

IN THE BEE GAME the Albany team won going away, 37-18, and the local five found the going rugged as they failed to penetrate Albany's tough man-to-man defense, while the Albany team peppered the basket from all angles.

The Don Bees made but one field goal in the first half, and at half it was 24-8.

In the third quarter the Dons were still unable to untrack themselves and it wasn't until late in the fourth period that they began to hit when Albany reserves took over with three minutes to go.

Mike White tied with Albany's Charles Borreani with 13 points.

Diablo Tilts: Varsity Wins, Bees Lose

Diablo came to town Tuesday afternoon, and when the final whistle had been blown the Don Varsity had posted a 73-59 win, while the Bees suffered a 36-24 loss.

In the Varsity game it was the Dons all the way as they jumped to a 17-13 first quarter lead with Bob Borghesani posting 12 points, Bob Diehl, two and Bob Kleckner contributing a free throw.

Diablo's big and only moment of the game came at the close of the half, when Coach Lee Arth inserted subs and Diablo fought their way to where they were only trailing by one point, 29-28.

IN THE THIRD quarter the Dons began to roll as Borghesani, Art Siler, Kleckner and Diehl went into

their scoring act and jumped to a 52-42 advantage.

In the fourth period it didn't take long for the Dons to establish their superiority, and at the close of the game Diablo fell apart at the seams, with Acalanes inserting everyone but the water boy.

BOB BORGHESANI had a good night, as he had 25 points for high scoring, with teammate Bob Kleckner in the number 2 spot with 20.

Wayne Coppock led Diablo with 17.

IN THE BEE GAME the Dons just couldn't untrack themselves and Diablo went to an 8-6 first quarter lead and stretched it to 23-12 at halftime.

THANK YOU

Is hardly the right words to
express our sincere feelings. But
I think you will understand when
I say it comes right from the
heart.

We were more than overjoy-
ed with the tremendous interest,
and enthusiasm shown to us
during our opening celebration.
CHUCK, JOE and DON just
wish to say thanks again.
